INSIDE METRO: THE PEOPLE BEHIND THE TRANSIT

Meet Bonnie: A Bus Operator with a Poet's Soul and a Rider's Heart
Bonnie brings heart, creativity, and adventure to every shift at Santa Cruz METRO. Whether she's sharing stories, writing poetry, or connecting with riders, she turns everyday routes into meaningful moments across Santa Cruz County.

Tell us a little about yourself, Bonnie

Hi, my name is Bonnie. I am Bus Operator 783 here at Santa Cruz METRO, and I've been with the agency for about a year and a half. Most people know me by Bonnie, but I go by Bonsai or Bonbon as well.

What is your favorite song—or song of the summer?

Sheryl Crow's *Soak Up the Sun*. It sends such a positive message, and I'd love for everyone to feel as good as I do when it starts warming up. I also have this passenger who shares my love of punk rock and heavy metal. That energy gets us both going first thing in the morning—especially if I'm on Route 35. That's when *These Are My People* plays in my head. That whole "small town, where I come from" vibe—it's the theme music in my head, even though it's not on the bus.

What are your hobbies?

Oh, I've got a bunch. I love riding motorcycles and horses, camping, fishing, hunting, heading to the beach, and doing art. Anything outdoors or hands-on—I'm in.

What kind of art do you enjoy most?

I enjoy arts and crafts and making things—but poetry is my forever art. Just this morning I was working on another poem. I mean, look at where we live—it's poetry in motion. I come from an artist family. My dad did a lot of the signs for Santa Cruz County parks back in the '70s and '80s. I didn't inherit the drawing gene (I think it skips a generation), but my kids are amazing artists. My art lives in words—in poetry—and in trying to express the world as I see it.

What do you like to do on your time off?

Even on my time off, I love hanging out with coworkers. Some are musicians, so we go out to hear them play. We're also planning a group trip to see Sweeney Todd, and sometimes we'll just grab lunch or walk on the beach. It's chill, fun, and spontaneous.

Why should people ride METRO?

METRO's public transit system is vital. It gives people an environmentally friendly way to move around—and with all the traffic we've got, it helps folks skip the stress. I've been riding the bus since I was five, and I still do, any chance I get. I believe METRO matters because it gives access—to people who don't have

a vehicle, and to those trying to reduce their carbon footprint and avoid the parking hassle. It's about freedom, sustainability, and community.

What's your favorite part of working at METRO?

All of it. Honestly. I love walking through the door. I want to come to work every single day. The coworkers are amazing, the scenery is unbeatable, and I get to interact with people I've known my whole life—or just met yesterday.

I also enjoy getting to know our riders as people. Not just names or stops, but real stories. Sometimes it's directions, sometimes it's helping someone feel a little better—it's like a mini therapy session on wheels. I also notice when someone's missing. If Todd doesn't show up, I'm thinking, "Should I wait? Where's Todd?" These folks become part of your routine, part of your rhythm. It's the full package.

What are your favorite day-to-day rider interactions?

I love knowing my regulars are waiting. Seeing kids getting around on their own—finding independence. That's powerful. People really love METRO. They recognize the logo, the drivers, and the role we play in their lives. Even if they're not riding the bus, they know we're part of the community.

"Bonnie embodies the spirit of what makes METRO thrive—dedication, compassion, and a deep commitment to community. As a bus operator, she consistently goes above and beyond, supporting her fellow drivers and creating a welcoming environment for everyone she encounters. Her leadership shone brightly during the senior luncheon in June, a joint effort between SMART and METRO. Bonnie led the charge, organizing donations, securing the venue, designing centerpieces, and planning the meal—all with care and creativity. The event was a resounding success, and she's already laying the groundwork for next year. From day one, Bonnie has stood out as someone who brings heart, hard work, and a genuine desire to make a positive impact at METRO."

- Margo Ross, METRO Chief Operations Officer

FALL HIGHLIGHTED

UCSC Route 16 is returning!

- This popular route, scheduled around class times, provides additional service on the Laurel and Bay corridors and increases bus capacity to and from campus.

Faster Direct Service Between San Lorenzo Valley and Santa Cruz on Weekdays

- A frequent request from customers, Route 35X (operating *weekdays* starting at 7:20am from Mountain Store and 7:50am from Country Club) will now go from Boulder Creek, Ben Lomond, and Felton directly to Santa Cruz, bypassing Scotts Valley Dr. 35X trips from Santa Cruz will operate from 6:30am – 5:30pm. Riders will still be able to access Scotts Valley Drive via the new Route 34 or by making a local trip on Highway 17 Express. Departures from Santa Cruz starting at 6:00pm, and from Country Club at 7:00pm, return to regular 35 routing via Scotts Valley Dr.

More Highway 17 Express Weekday Santa Cruz – San Jose Direct Service

- Since most Highway 17 Express passengers are traveling between Santa Cruz and San Jose Diridon Station, the number of weekday direct trips (bypassing Scotts Valley) has been increased from 10 to 16, including some mid-day trips for the first time in many years. The total number of weekday round trips has increased from 27 to 29.
- In order to make these changes, four trips each way will depart or end at Scotts Valley Transit Center

(i.e. will not serve Santa Cruz). This will offer Scotts Valley riders improved access to a seat compared to trips beginning in Santa Cruz. Two of the four morning trips that serve SJSU will begin at Scotts Valley Transit Center: a 7:45am departure arriving at SJSU at 8:42, and an 8:45am departure arriving at SJSU at 9:42am. Santa Cruz riders who want to take these trips to get to SJSU can ride Route 35X from River Front at 7:30am or 8:30am for a timed connection at Scotts Valley Transit Center at :45 after.

- If you are paying your fare with the Splash Pass app, just show the driver your Highway 17 pass or 1-Ride fare to board both the 35X and Highway 17 Express (tickets are good for 2 hours). Santa Cruz-bound riders taking the 1:20pm and 3:20pm departures from San Jose Diridon, which end at Scotts Valley Transit Center at 2:07pm and 4:08pm, respectively, can connect to Route 35X at Scotts Valley at 2:08pm or 4:09pm to continue to Santa Cruz.

New Route 34: Santa Cruz - Scotts Valley Drive, plus school service to Vine Hill Elementary and Scotts Valley High School

- Scotts Valley Drive will be served by a dedicated route - Route 34 – operating from 6:45am to 4:45pm from River Front Transit Center Area 3, and 7:45am to 5:45 from Scotts Valley Transit Center. Route 34 will also serve Vine Hill Elementary, Scotts Valley Middle School and High School at the start and end of regular school days.

SERVICE CHANGES

Route 4 and Route 34 Linked to Provide a One-Seat Ride Harvey West - Emeline

- Route 34 will serve the Emeline Health Complex and the Grant Park area via Ocean St, replacing Route 4. To accommodate customers from the Harvey West area that need to reach Emeline, Route 4 trips that depart River Front Transit Center at :20 past the hour (from 7:20am to 3:20pm) switch to Route 34 upon their return to River Front, and riders may remain on the bus for no additional fare to go on to Emeline or Scotts Valley. Similarly, the 3:45pm, 4:45pm, and 5:45pm Route 34 departures from Scotts Valley Transit Center become Route 4 when they arrive at River Front, offering a simple one-seat ride from Emeline to Harvey West.

Route 73 Late Evening Service Combined with Route 2 as Route 2N

- To maintain coverage on Freedom Blvd while adding service elsewhere, several nighttime trips of Route 2 and Route 73 have been combined into Route 2N (Night). Route 2N only has three weekday and two weekend trips, and only from Santa Cruz to Watsonville. Route 2N will follow the regular route of Route 2 to Soquel Dr & Freedom Blvd, but instead of entering Highway 1, it will serve Freedom Blvd, Freedom Centre, and Green Valley Rd to Main St. On Weekdays, Route 2N departs at 9:30pm, 10:30pm, and 11:30pm. These trips depart from Capitola Mall at 9:46pm, 10:45pm, and 11:44pm, 15 – 20 minutes later than Route 73 departed Capitola Mall in the Summer. On Weekends, Route 2N departs from Santa Cruz at 9:30pm and 10:30pm, and from Capitola Mall at 9:47pm and 10:47pm, two minutes later than the Route 73 Summer schedule.

Route 55 Now Serves Popular Shopping Destination Aptos Village

- Responding to another popular request, Route 55 now serves Aptos Village. Returning from La Selva Beach, Route 55 will exit Highway 1 at Freedom Blvd to provide new service to Soquel Dr between Freedom Blvd and State Park Dr, including Aptos Village. To accommodate the added destination, Route 55 will now run every 2 hours during the week instead of every hour and forty minutes.

PROTECTING OUR MONTEREY BAY, ONE RIDE AT A TIME

One Ride at a Time is a campaign that gives everyone in Santa Cruz County an opportunity to protect our extraordinary natural resources just by simply riding the bus.

Our home, the Monterey Bay region, is the hottest hotspot for biodiversity in North America according to a study conducted by The Nature Conservancy. Its dynamic confluence of land and sea creates unique ecosystems and supports iconic wildlife from secretive mountain lions to majestic blue whales.

Since January 2023, every ride on a METRO bus donates to our partners in protecting the environment. All you have to do is log 25 rides on GO Santa Cruz County and a \$10 donation will be made to the Monterey Bay National Marine Sanctuary Foundation or the Bay of Life Fund as part of GO Santa Cruz's ridesharing incentive program run by the Santa Cruz County Regional Transportation Commission (SCCRTC).

Ride METRO today to protect our Monterey Bay, one ride at a time!

Why Metro Is Leading this Campaign

METRO'S mission is to provide environmentally sustainable transportation to Santa Cruz County. Every ride on a METRO bus takes cars off the road and significantly reduces greenhouse gas emissions.

One Ride at a Time is an opportunity to not only educate the public about the benefits of public transit and the unique natural resources of the Monterey Bay but inspire people to take action.

Join Our Conservation Club to Donate

Become a Conservation Club member and log your rides at GO Santa Cruz County, and you can donate \$10 per 25 bus rides to our environmental partners. Plus, you'll get exclusive access to events, speakers, promo items and more.

Log Your Rides on Desktop

1. Create an account at scmetro.org/gosantacruz, the online ridesharing portal administered by GO Santa Cruz County.
2. Once you have an account, use the portal to log your bus trips. You'll earn 10 points for each trip with a maximum of two rides per day that count towards your point accruals.

3. When you reach 250 points, or 25 rides, use the portal to select one of our nonprofit partners to receive a \$10 donation.
4. You can also see the greenhouse gas emissions reductions you've made by riding public transit and compete against other riders to see who can make the biggest impact.

Log Your Rides on Mobile

1. Download the Commute Tracker app from the App Store or the Google Play store.
2. Setup your account and select CRUZ511.org.
3. Follow the prompts to allow Commute Tracker to automatically log your trips by turning on location tracking.
4. When you reach 250 points, or 25 rides, you can select a nonprofit partner to receive a \$10 donation.

For more help setting up Commute Tracker, visit: scmetro.org/ctsetup.

Our Campaign Partners

One Ride at a Time is made possible by a partnership between METRO, Santa Cruz County Regional Transportation Commission (SCCRTC), the Monterey Bay National Marine Sanctuary Foundation, Bay of Life Fund, and renowned photographer-writer team Frans Lanting and Chris Eckstrom.
