INSIDE METRO: THE PEOPLE BEHIND THE TRANSIT

Meet Steven: A ParaCruz Driver Bringing Compassion, Dedication, and a Smile

Steven brings compassion and dedication to his role as a ParaCruz driver at Santa Cruz METRO. A Navy veteran and proud father of four, he combines his love of the outdoors with his passion for helping people—whether he's driving riders safely to their destinations or fishing off the Santa Cruz Wharf with his kids. For Steven, ParaCruz is more than transportation; it's about connection, service, and community.

Tell us a little about yourself, Steven

Hi, my name is Steven. I've been a ParaCruz driver at METRO for about a year and a half now. I live in Aptos now, but I grew up in Santa Cruz. I went to Santa Cruz High School and graduated with the class of '95. I've got a couple nicknames. Back in the Navy, they called me Marty—short for my last name. Later, when I worked construction, folks called me Stevo.

Can you describe ParaCruz for people who might not know?

ParaCruz is a door-to-door service. We pick people up right from their homes and take them where they need to go. It's wonderful because many folks have a hard time getting to a bus stop, and this service makes sure they can still get around safely and comfortably.

What inspired you to become a ParaCruz driver?

I've worked hard my whole life—building houses, pouring concrete—and that's tough work. I wanted something I could do for the rest of my life, something meaningful. ParaCruz gave me that. I get to be outdoors, I get to help people, and I get to be part of something bigger than me. I plan to be here until I'm a passenger myself.

What do you enjoy most about being part of the METRO team?

I love being part of the bigger picture. We all need help at some point in life, and I like being the one to provide it. Every day when I go home, I feel good about what I did.

What do you enjoy doing in your personal time?

I've got four kids, so I love going to their dance recitals and sports games—soccer, basketball, baseball. But honestly, some of our best times are just curling up on the couch together with a bowl of popcorn and watching a movie.

Do you have any hobbies?

I collect sports cards and coins with my kids, watch sports, and fish.

What's your favorite sport to watch?

Baseball. Hands down. It's the greatest sport invented. Doesn't matter who's playing—if there's a game on, I'm happy.

Do you have any final thoughts?

ParaCruz is great. Between management, dispatch, and drivers, we're all working together toward a common goal: getting people where they need to be safely. And I love being part of that.

"Steven's dedication to ParaCruz and our riders shines through every day. He is the definition of a team player—always ready to step in, lend a hand, and even stay late if that's what it takes to support his colleagues and ensure our clients are cared for. His reliability and compassion make a real difference, and he brings a smile to everyone he meets, whether it's a passenger, a coworker, or a member of the community. Steven embodies the spirit of METRO: service, teamwork, and heart."

- Daniel Zaragoza, Operations Deputy Director

METRO ParaCruz is a shared-ride service, providing door-to-door public transportation, within three-quarter (3/4) miles of an operating bus route, for people who have a temporary or permanent physical, cognitive, or psychiatric disability that prevents them from making some or all of their trips on METRO's fixed route bus system.

SMARTER RIDER COMMUNICATION: TRANSITIONING BEYOND *HEADWAYS*

METRO GOES DIGITAL & GREEN

Santa Cruz METRO has proudly published *Headways*, our quarterly bus riders guide, with each schedule change for decades. As we continue to evolve and improve how we share information with our community, we want to let you know that the Spring 2026 issue will be the final edition of *Headways*.

Beginning Summer 2026, new route riding guides will be introduced to provide clear details and schedules for each route. These guides are designed to make it easier for riders to access the information they need quickly and conveniently.

In addition, riders can continue to find real-time route and schedule information through METRO's preferred provider, the **Transit app**, which offers up-to-the-minute updates right at your fingertips. Schedules will also remain available on METRO's website, and our customer service team is always ready to assist by phone.

Reducing the printed *Headways* also supports METRO's agency goals around **environmental stewardship**, helping us cut down on paper use while continuing to provide riders with reliable, accessible information.

We are excited about this transition and confident that these new tools will provide riders with even more accessible, reliable, and timely information. Thank you for being part of the METRO community—we look forward to keeping you connected wherever your journey takes you.

PROTECTING OUR MONTEREY BAY, ONE RIDE AT A TIME

One Ride at a Time is a campaign that gives everyone in Santa Cruz County an opportunity to protect our extraordinary natural resources just by simply riding the bus.

Our home, the Monterey Bay region, is the hottest hotspot for biodiversity in North America according to a study conducted by The Nature Conservancy. Its dynamic confluence of land and sea creates unique ecosystems and supports iconic wildlife from secretive mountain lions to majestic blue whales.

Since January 2023, every ride on a METRO bus donates to our partners in protecting the environment. All you have to do is log 25 rides on GO Santa Cruz County and a \$10 donation will be made to the Monterey Bay National Marine Sanctuary Foundation or the Bay of Life Fund as part of GO Santa Cruz's ridesharing incentive program run by the Santa Cruz County Regional Transportation Commission (SCCRTC).

Ride METRO today to protect our Monterey Bay, one ride at a time!

Why METRO Is Leading this Campaign

METRO'S mission is to provide environmentally sustainable transportation to Santa Cruz County. Every ride on a METRO bus takes cars off the road and significantly reduces greenhouse gas emissions.

One Ride at a Time is an opportunity to not only educate the public about the benefits of public transit and the unique natural resources of the Monterey Bay but inspire people to take action.

Join Our Conservation Club to Donate

Become a Conservation Club member and log your rides at GO Santa Cruz County, and you can donate \$10 per 25 bus rides to our environmental partners. Plus, you'll get exclusive access to events, speakers, promo items and more.

Log Your Rides on Desktop

1. Create an account at scmetro.org/gosantacruz, the online ridesharing portal administered by GO Santa Cruz County.
2. Once you have an account, use the portal to log your bus trips. You'll earn 10 points for each trip with a maximum of two rides per day that count towards your point accruals.

3. When you reach 250 points, or 25 rides, use the portal to select one of our nonprofit partners to receive a \$10 donation.
4. You can also see the greenhouse gas emissions reductions you've made by riding public transit and compete against other riders to see who can make the biggest impact.

Log Your Rides on Mobile

1. Download the Commute Tracker app from the App Store or the Google Play store.
2. Setup your account and select CRUZ511.org.
3. Follow the prompts to allow Commute Tracker to automatically log your trips by turning on location tracking.
4. When you reach 250 points, or 25 rides, you can select a nonprofit partner to receive a \$10 donation.

Our Campaign Partners

One Ride at a Time is made possible by a partnership between METRO, Santa Cruz County Regional Transportation Commission (SCCRTC), the Monterey Bay National Marine Sanctuary Foundation, Bay of Life Fund, and renowned photographer-writer team Frans Lanting and Chris Eckstrom.
